

The Translational Team Incubators (TTI) Program Presents:

From Research Idea to Research Team: Communicating Your Vision for Collaboration

 **Wednesday, October 28th**
9:00 AM - 11:00 AM

 **Simpson Querrey Biomedical
Research Center**
Krantz Conference Room
(1M-200)

In this highly interactive session, participants will explore the best ways to communicate their research ideas to potential Co-I (or MPI) towards the objective of forming new and productive research teams. Participants should come with a potential grant topic (in any stage of development).

Ravi Kalhan, MD, MS
