

The Translational Team Incubators (TTI) Program Presents:

# Refining and Communicating Your Research Idea

 **Wednesday, June 10th**  
**8:30 AM - 10:30 AM**

 **Gray Seminar Room**  
**(Lurie 1-165)**

In this highly interactive session, participants will explore the best ways to communicate their research ideas to potential Co-I (or MPI) towards the objective of forming new and productive research teams. Participants should come with a potential grant topic (in any stage of development).
